Parties at Cloud 9

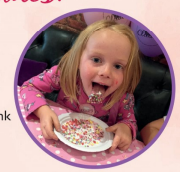
We can cater for between 6 and 12 guests aged 4 and up and our Cloud 9 Party pack starts from just £15 per person and lasts about an hour in our York Place store.

We can custom build your party pack, so if you need to make any changes, i.e make it longer, add pizza, more games, party bags, byo wine etc - get in touch for a quote. The format is adapted to suit children, adults, hen parties and baby showers-just ask.

Party times (weekends and school holidays) are between 10-2pm and after 5pm to avoid the busiest period in store. Available on a school night after 3pm

All parties are hosted by an enthusiastic cloud 9 team member, who will look after your guests throughout.

What the Cloud 9 Party Package includes:



- **BALLOONS** are strung up and the table set up with table cloths etc.
- **AN INDIVIDUAL CUPCAKE** to eat for each guest, personalised with their name/message (please email or call through details at least 24 hours before party)
- **REFILLABLE JUICE** to drink throughout or a cold drink from the fridge/ hot drink
- **GAME** everyone gets involved in our great age appropriate cloud 9 game.
- **SUNDAES** Guests can create their dream ice cream sundae by adding toppings, sauces, whipped cream and sprinkles to their chosen ice creams.
- **CUPCAKE CLASS** Everyone dons an apron for our demonstration on how to hand ice the perfect cupcake. All guests will ice and decorate their own cake and take it home in one of our cupcake pods.
- All guests receive a **SOUVENIR CLOUD 9 STICKER & BALLOON** to take home.

Things to note...

We sing Happy Birthday with a cupcake and candle, but if you need a large celebration cake please remember to order it with a member of staff in advance, as we're unable to use cakes brought in by guests.

Deposit cost is 2 x party attendees. (i.e 2 x £15) Balance is paid on the day. Kindly notify us of any changes to guest numbers 24 hours before party time. Any no shows on the day will still need to be paid for, but all allocated cakes etc will still be available to eat/takeaway!

Please make us aware on booking, of any food allergies. We will always try to cater if we can.

Remind your guests: come to the correct store and arrive hungry!

Parents, it's a great opportunity to run some errands for an hour as it can sometimes be a distraction for the younger children to have their parents present, and it can get crowded.

Please avoid arriving too early. Sometimes we are unable to set up the table until 15 minutes before, and we don't want to ruin the 'Party magic'

All about us

It all started in the summer of 2010 when we finally made our dream a reality and opened our first store in the heart of the Brighton Lanes. And we haven't stopped since! A wedding, 3 children, 2 more shops and 10 years down the line, as the time on our first venture drew to a close we embraced the end of an era and now continue with 2 stores.

We are passionate, hardworking and committed to creating and delivering quality products with a smile. Our customers continue to be at the heart of everything we do, driving us to exceed their expectations on a daily basis. Thank you,

Hannah & Paul :)
